

Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election
is a clear example
of direct
electioneering by a
corporate media
giant -- and against
federal election
law.

I would like to see
a fair and balanced
approach to this
election, to prove
that this nation
really is a country
of the people, by
the people and for
the people. If
Sinclair
Broadcasting is
allowed to air
anti-Kerry programs,
they should also be
obligated to show
anti-Bush and/or
pro-Kerry programs.
Thank you for your
time.
